September 14, 2021

TO THE HONORABLE BOARD OF COMMISSIONERS:

The County of Hillsdale receives program income money from the Community Development Block Grant (CDBG) which come from residents who have participated in the grant program. As of July 1, 2020 through June 30, 2021, the County has received \$17,638.88. Since the program income money is less than \$35,000 during this time frame period, these funds cease to be federal money, and may be used for any activity, including activities not eligible under the CDBG regulations (Grant Administrator Manual (GAM) Chapter 15 Program Income Policy for CDBG Housing Grantees).

Therefore, we recommend the transfer of \$17,638.88 from the 705.00 Hillsdale County CDBG Program Fund to the 401.00 Capital Projects Fund.

Respectfully submitted,

Kathleen Schmitt, Chair
Budget Committee

TO THE HONORABLE BOARD OF COMMISSIONERS:

COVID positive cases will be required to quarantine for a minimum of ten days and if possible work remotely. Individual must provide their supervisor with a doctor slip and/or confirmation of a positive test. Positive cases will be paid for regular hours at this time.

Individuals that are required to quarantine will not be paid at this time, unless they are performing their duties remotely. In this case, that information must be documented and submitted to the personnel committee by their supervisor, who will review and submit for payment. All others will be required to use sick time, vacation time or other.

Note: Quarantine guidelines vary and will be verified by the individual and/or their supervisor. Suggested source would be the Health Department or the current CDC Guidelines.

GRANT

This is Grant # 2022-72 between the Michigan Indigent Defense Commission (Grantor), and Hillsdale County (Grantee), subject to terms and conditions of this grant agreement (Agreement).

1.0 Statement of Purpose

The purpose of this Grant is to provide funding to assist the Grantee (also referred to as local funding unit) to comply with the Compliance Plan and Cost Analysis approved by the MIDC for the provision of indigent criminal defense services through the minimum standards approved by LARA on May 22, 2017 and October 29, 2020, and the process described in the Michigan Indigent Defense Commission Act (MIDC Act). The funding for this grant is contingent upon an appropriation by the Legislature that is signed by the Governor. Consistent with the MIDC Act, in the event that the funds appropriated apply to less than all of the minimum standards, the funding unit will not be required to fully comply with all of the minimum standards. In the event that an appropriation is insufficient to fully fund this grant, the amount of the grant will be reduced by the Grantor and the funding unit will not be required to fully comply with the minimum standards the original approved grant was designed to allow.

1.1 Definitions

- A. Budget means the detailed statement of estimated costs approved as the Grantee's Cost Analysis and required to implement the Compliance Plan.
- B. Budget Category means the aggregate of all funds in each of the high-level categories within the approved Cost Analysis.
- C. Compliance Plan or Plan is the plan submitted by the local funding unit and approved by the MIDC that specifically addresses how the Grantee shall meet the approved minimum standards established by the MIDC.
- D. Cost Analysis is a statement of the types of expenditures and funding necessary to bring Grantee's indigent defense system into compliance with the approved minimum standards established by the MIDC, including a statement of the funds in excess of the Grantee's local share as defined under the MIDC Act and as outlined in the Compliance Plan.
- E. MIDC Act means the Michigan Indigent Defense Commission Act, Public Act 93 of 2013, MCL 780.991 et seq., as amended, enacted for the purpose of creating the Michigan Indigent Defense Commission and creating minimum standards for the local delivery of indigent criminal defense services that meet the constitutional requirements for the effective assistance of counsel.
- F. Subgrantee means a governmental agency or other legal entity to which an MIDC subgrant is awarded by the Grantee. Attorneys representing indigent defendants, including both public defenders and attorneys contracted to represent indigent defendants, public defender office employees, judges, magistrates, court personnel, and professional service contract vendors shall not be considered subgrantees.
- G. "Substantial Change" to a Compliance Plan is a change to the Plan or Cost Analysis that alters the method of meeting the objectives of the standard(s) in the approved Plan.

1.2 Statement of Work

The Grantee agrees to undertake, perform, and complete the services described in its approved Compliance Plan and in accordance with the MIDC Act, specifically Standards 1 through 5. The Parties to this Agreement enter into this Agreement to facilitate the process described in the MIDC Act, which controls or supersedes any terms of this Agreement. Consistent with the Act and when applicable, an indigent criminal defense system shall comply with the terms of this Agreement in bringing its system into compliance with the minimum standards established by the MIDC within 180 days after receiving funds from the MIDC. Grantee may exceed 180 days for compliance with a specific item needed to meet minimum standards as set forth in the Act. Grantee's Compliance Plan, as submitted and approved by the MIDC, addresses the prescribed methods Grantee has chosen to provide indigent criminal defense services pursuant to MCL 780.993(3). Any substantial changes to the work described in the Compliance Plan must be submitted to the MIDC for approval as set forth in this Agreement prior to any changes being implemented. All provisions and requirements of this Agreement shall apply to any agreements the Grantee may enter into in furtherance of its obligations under this Agreement and Grantee shall be responsible for the performance of any Subgrantee work, as defined in subsection 1.1.

1.3 Detailed Budget

- A. This Agreement does not commit the State of Michigan (State) or the Department of Licensing and Regulatory Affairs (LARA) to approve requests for additional funds at any time.
- B. If applicable, travel expenses will not be reimbursed at rates greater than the State Travel Rates, without the prior written consent of the MIDC.
- C. The Grantee agrees that all funds are to be spent as detailed in the Budget, unless a budget adjustment request is approved. See section 1.3(E).
- D. Grantee will maintain a restricted fund within their Local Chart of Accounts for the sole purpose of accounting for the expenses and revenue sources for operation of this grant and the local adult indigent defense system.
- E. All requests for a budget adjustment or substantial changes to the Grantee's Compliance Plan will be submitted quarterly with the Grantee's quarterly report. MIDC staff shall respond to a request in writing within 30 days of receipt.
 - 1) Budget adjustments less than or equal to 5% of the Budget Category total, including adjustments between Budget Categories, do not require approval by MIDC staff, but must be reported quarterly in the next financial status report.
 - 2) A Budget adjustment involving greater than 5% of the aggregate of all funding within a Budget Category requires prior written approval by MIDC Staff and must be reported to the MIDC as soon after the Grantee is aware of the necessity of the Budget adjustment and reported in the Grantee's quarterly report.
 - 3) Any substantial change to a Compliance Plan requires prior approval by MIDC staff and MIDC Commission.

1.4 Payment Schedule

The maximum amount of grant assistance approved is \$273,765.57 (Two Hundred Seventy Three Thousand Seven Hundred Sixty Five and 57/100)

Grantee must report and certify to Grantor by October 31st of each year the balance of any unexpended indigent defense grant funds from the prior fiscal year grant plus any interest earned on the advancement of the state grant funds in the previous fiscal year. Any funds from the previous fiscal year contained in an approved extension of the previous fiscal year's grant for projects that will be completed after September 30, 2021 will be carried over into the current fiscal year and shall not be considered unexpended funds, nor be included in the balance of unexpended funds. The current fiscal year indigent defense grant funds advanced will be reduced by the amount of unexpended funds from the prior fiscal year's grant by reducing the 2nd and 3rd disbursement equally. The maximum amount of grant assistance approved includes the unexpended funds reported from the previous fiscal year.

An initial advance of 25% of the State Grant shall be made to the Grantee upon receipt by the Grantor of a signed Agreement. The Grantor shall make subsequent disbursements of up to 25% of the total state grant amount in accordance with the following schedule:

Initial Advance of 25% of total grant – Within 15 days of receipt of executed agreement

25% disbursement – January 15, 2022

25% disbursement – April 15, 2022

25% disbursement – July 15, 2022 (final payment)

The above schedule of disbursement of funds is contingent upon receipt of quarterly reporting as addressed in this section and section 1.5 of this document. Any disputed matters shall not cause delay in remitting any disbursements or in issuing a grant contract and funds for the next fiscal year. Disputed matters shall be acted on independently from undisputed matters. The financial status report (FSR) report must be submitted on the form provided by the MIDC/LARA and indicate:

Grant funds received to date;

Expenditures for the reporting period by budget category; and;

Cumulative expenditures to date by budget category;

The quarterly FSR must be supported and accompanied by documentation of those grant funded expenditures incurred for the reporting period, including but not limited to:

- The general ledger for the restricted local indigent defense fund, including a detailed expenditure report with all expenditure detail within the budget categories, which must include documentation of payments to contract attorneys either by individual invoice or by report of payments made, by attorney;

- All invoices related to experts and investigators;
- All invoices related to construction; and
- Personnel detail including full-time equivalency of any grant funded positions, including total compensation for that position;

2.1 Project Changes

Grantee must obtain prior written approval for substantial changes to the compliance plan from Grantor.

2.2 Delegation

Grantee must notify the MIDC at least 90 calendar days before any proposed delegation with reasonable detail about Subgrantee and the nature and scope of the activities delegated. Grantee remains responsible for the completion of the Grant activities and compliance with the terms of this Grant.

The grant award shall not be increased by the amount of interest earned. Any grant funds attributable to interest and not spent at the end of the grant period shall be returned to the State or included in future grant awards from the MIDC consistent with MCL 780.993(15).

Accounting records must be supported by source documentation of expenditures including, but not limited to, balance sheets, general

ledgers, payroll documents, time sheets and invoices. The expenditure of state funds shall be reported by line item and compared to the Budget.
